SUBJECT: «Invitation to an informational meeting on the topic: “The European project STEAM-DRREC for reducing the risk from natural disasters and climate change”»

The Directorate of Primary Education of Kozani, the Competence Center for a Sustainable and Resilient Built Environment Using Smart Technologies SURE, the Cyprus Pedagogical Institute and the Cyprus Mathematical Society are participating in the European Project STEAME -DRREC (Disaster Risk Reduction and Climate Change Education), developed within the framework of ERASMUS + KA2.

As part of the Project's activities, an information session will be held for the School Advisors and the Principals of the Primary Schools of the Municipality of Kozani, presenting a sample of the activities and their connection with the various subjects of the Curriculum.

The Director of Primary Education of Kozani and the Quality Supervisor of the Directorate of Primary Education of Kozani

invite you

to an informational meeting on the topic: ***«The European project STEAM- DRREC for reducing the risk from natural disasters and climate change»***, on Tuesday, 18 March 2025, from 12:00 p.m. to

14:00 p.m., in the Conference Room of the Regional Unit of Kozani (former Prefectural Council of Kozani), Dimokratias 27, Kozani.

The Project runs from 1st September 2024 until 31 August 2026, and aims to integrate education on reducing risks from natural disasters and climate change into the Primary School Curriculum of Greece and Cyprus. One of the main objectives of the Project is to strengthen teachers' skills, so that they can use the Project's activities in their teaching in order to achieve the objectives of the Curriculum across different subjects, as well as to design their own activities similar to those proposed by the Project.

The European project will be presented and analyzed by the following:

Papaevangelou Athanasios, Director of Primary Education of Kozani

Maletskos Athanasios, Quality Supervisor of the Directorate of Primary Education of Kozani

Papadopoulou Eleni, Head of European Programmes, Directorate of Primary Education of Kozani

Markogiannaki Olga, from the Competence Center for a Sustainable and Resilient Built Environment Using Smart Technologies SURE

Papageorgiou Eleni, from the Cyprus Pedagogical Institute

We kindly ask the Principals and Heads of the Primary Schools of the Municipality of Kozani to take the necessary steps, adjusting the daily schedule, to ensure the smooth and orderly operation of your school unit on the day of your participation in the informational meeting.
